### **Subject: 2020 “Doc Talks” Speaker Series Announced**

This year’s free speaker series launches in January with an impressive line-up of local “Docs” who will provide topics of timely interest for the public. The Greeley Creative District and the University District are co-sponsoring the series to provide the community access to local experts, who will share their knowledge and insights in a more informal setting that also allows for more audience interaction and questions.

All Talks will occur at Zoe’s Event Center at 715 10<sup>th</sup> Street, running from 7:00 – 8:30 PM. The dates and topics are:

- January 16: Dr. Jason Hatch, Medical Director of the Cardiac Catheterization Laboratories in Northern Colorado for NCMC/Banner Health, speaking on “The Incredible Human Heart: What Every Person Needs to Know”
- February 6: Dr. William Merchant, Assistant Professor in Applied Statistics and Research Methods at UNC, speaking on “Decoding Your World”
- March 5: Dr. Ron Edgerton, History Professor Emeritus, UNC, speaking on “General Pershing: An Interview”

Light refreshments will also be available. While the event is free, seating is limited and advance ticket reservation is suggested. For more information or to reserve seats in advance go to [www.GreeleyCreativeDistrict.org](http://www.GreeleyCreativeDistrict.org) or call the District at 970.373.5223.
