

## WEST GREELEY'S RECENT GROWTH OFFERS OPPORTUNITY FOR NEW LUXURY LIVING SPACE

October 29, 2020 (Greeley, Colo.) – Gateway Place Apartments is excited to announce the latest addition to their community. Featuring brand new amenities, custom designs, and beautiful finishing touches, Gateway Place is reinventing west Greeley living.

With the completion of the Phase II building expansion, Gateway Place is now leasing 144 brand-new 1- and 2-bedroom apartments. All floorplans include spacious layouts, walk in closets, kitchen islands, and more. The combination of these luxurious design features and the deluxe finishing touches—quartz countertops, hardwood plank flooring, Samsung black stainless appliances, washer and dryers, and custom cabinetry—are part of what makes these new additions so special to Gateway Place.

When asked about the community expansion, Tom Morgan, Managing Member of Gateway Place, responded, “As our community began to grow, we knew we needed more—more space for the incoming residents and more to offer those who had already made Gateway their home. This new expansion was the perfect way to address both concerns. We are proud to offer our residents new amenities, newly-designed apartments, and so much more with the completion of the addition to our community.”

Some of the new amenities include 2 heated pools, sauna, state of the art fitness center, jogging path, and coworking space, not to mention public outdoor kitchen and entertainment areas. Gateway Place is a pet friendly community with two on-site dog parks and a pet spa.

Morgan added, “Gateway is not just your usual apartment community. It’s truly an active, caring, connected community for people to put down permanent roots. Recently, in lieu of resident events, we’re pleased to offer weekend school tutoring for those who may be struggling with online schooling. This is just one example of the many ways that we care for our residents.”

The new apartments are reasonably priced, starting at \$1,260 per month. Plus, going on now, new residents to the Gateway Place community will receive one month rent free when you sign a lease and move-in!
