**The Great Outdoors RV CO. announces West Greeley RV SuperCenter groundbreaking.**

FOR IMMEDIATE RELEASE

**Greeley, Colorado – The Great Outdoors RV CO.** is excited to announce a new West Greeley location coming in 2020. The Great Outdoors RV CO. have teamed up with Construction Concepts Inc of Longmont CO, and Independent Bank (formerly Guaranty Bank) to develop a new 14.8 acre multi million dollar project at the HighPointe Business Park at the intersection of Highways 34 and 257.

Jeremy Heberer, Owner and President of The Great Outdoors RV CO, states: "After nearly 15 years, we are excited to take the next steps and bring The Great Outdoors to the true entryway of Northern Colorado. This project will allow us to best serve the Northern Colorado community with a true state of the art facility and a much larger footprint. In the process of selecting a General Contractor we found a true partner in Dan Grelle, President of Construction Concepts Inc. Our belief is CCI does business very much aligned with the way we try to operate. Additionally, we are so grateful for the support of Jeff Jiron, SVP of Commercial Banking with Independent Bank, without which, this project would not have been possible."

#### **About The Great Outdoors RV CO:**

**Founded in 2005, in Evans Colorado, The Great Outdoors RV CO., has quickly become one of Colorado's most premier RV full service dealerships. With an extensive new product line, service department and parts store, The Great Outdoors RV CO. is proud to have built their business one customer at a time.**
