District 6 hosts VIP School Tour February 13

Greeley-Evans School District 6 is offering residents a chance to see first-hand what is happening in its schools with a VIP Tour on Thursday, February 13 from 8 a.m. -1 p.m.

This half-day tour will provide information on the operations of the school district, including academic programs, instructional practices, assessments, district finances and much more. Participants will visit and tour three schools, as well as the Central Kitchen and Warehouse. Lunch will be provided, and participants will be transported via school bus to the different sites.

“We want anyone who is interested to be able to see first-hand what is happening in District 6 schools, and get real and timely information about District 6,” said Superintendent Dr. Deirdre Pilch. “This is also a great opportunity for our stakeholders to ask questions about our schools and discover what we are doing to educate our students and prepare them for college and careers.”

The tour will begin at the District 6 Administration Building, 1025 9th Avenue in Greeley.

Participants will visit one elementary school, a K-8 or middle school and a high school. There will also be time for discussion and questions on the ride between locations.

The District 6 VIP Tours are free. Space is limited. To sign up for a tour, visit www.greeleyschools.org/VIPtour. If you need assistance signing up, please contact Theresa Myers at tmyers@greeleyschools.org or at (970) 348-6003.
