Flood and Peterson Receives Inaugural 2019 Large Agency of the Year Award

Greeley, Colorado— November 12, 2019 — Flood and Peterson is pleased to announce that they have received the 2019 Large Agency of the Year Award from the Professional Independent Insurance Agents of Colorado.

The award is given annually by PIIAC through peer nominations and subsequent voting within the industry. Eligible nominees must have more than 25 employees and be a PIIAC member. Flood and Peterson competed alongside a total of 300 member agencies representing 520 storefronts and 2,500 independent agents within Colorado. The Large Agency award was a new category just created this year.

The award was received by Flood and Peterson at the Annual PIIAC Convention in Blackhawk. The role of the association is to promote advocacy and education along with providing tools to help independent agents grow. The award honors those with the same ideals, which Flood and Peterson has been proud to foster.

“We are honored and humbled to have received PIIAC’s inaugural Large Agency Award for 2019. It is a fantastic achievement to be not simply awarded but to be equally voted for by our peers. I am proud of all of our employees for their hard work and dedication,” says Brett Kemp, President of Flood and Peterson.

Flood and Peterson has office locations in Greeley, Fort Collins and Denver.
