After Hours Networking

THE ESTABLISHED INDUSTRY LEADER

AFTER HOURS NETWORKING EVENT

PLEASE JOIN US FOR DRINKS & LIGHT REFRESHMENTS.

Clyde Woods, VP of Commercial Development for McWhinney will update us on the latest projects with the company. For those who may not know McWhinney has had a meteoric rise in NoCo since 1991, eventually acquiring several thousand acres of land in northern Colorado, a majority of that acreage is near I-25 and Hwy 34 on the east side of Loveland. Also during the ascent developing in the neighborhood of 6 million square feet of residential, office and retail space in the western U.S. And winning many "Excellence" awards along the way from various associations including architect, Home-builder and commercial organizations. They have dozens of projects in the pipeline ranging from apartments, commercial, multi-family & hotel development and ownership.

Clyde will share with us many other their other developments in the planning stages and what McWhinney sees on the horizon for 2020. Please join us.
