### **About United Way of Weld County**

The mission of the United Way of Weld County (UWWC) is to improve lives by mobilizing the caring power of our community. UWWC assists residents in the areas of Early Childhood Development, Youth Success, Household Stability, Older Adults/Healthy Aging and Access to Services. Through our community's willingness to give, advocate and volunteer, UWWC is able to have a positive impact on tens of thousands of lives every year. Thanks to the generosity of the 39 UWWC Cornerstone Partners, they donate all or a portion of their corporate donation to help cover 100 percent of administrative and fundraising costs for the resources under UWWC's management.
