

NOTICE!!

Tempest Enterprises, Inc. will be doing natural gas work on your street for Dominion Energy to relocate and replace an outdated pipeline system. You will NOT lose natural gas service to your home at any time, nor will you be charged for this service. Tempest Enterprises, Inc. will be excavating various holes and trenches in this area to complete this work. Please do NOT enter barricaded, taped off, or excavated areas and trenches at any time. Any disturbance to your landscaping will be fully restored to its previous condition.

Access to your property will remain open during this project, but some traffic and parking may be rerouted due to this work, so your patience is greatly appreciated. The work hours will be Monday – Friday, 7:00am – 5:00pm. If you have any questions about this work that's being provided, please contact the following:
