Grove Area Chamber of Commerce
Grand Welcome Basket Program

DON'T MISS THE OPPORTUNITY TO PRESENT YOUR BUSINESS TO NEWCOMERS!

We would like to familiarize you with a great marketing program for your business the Grand Welcome Program!

This is a program designed to welcome newcomers to our community while at the same time allowing *your* business a chance to be one of the first to introduce your self along with the products and services you provide. We will offer gift baskets containing information, coupons and small gift items from participating chamber businesses.

If you wish to participate in the Grand Welcome Program, please provide the information requested on the accompanying form. We hope you will take advantage of this program and make sure your business name is one of the first to be seen by newcomers to our community.

A thank you we received wanted us to be sure to let you all know how much the baskets are appreciated by newcomers and that it does have an effect on the decisions they make in selecting service providers. One recipient said our baskets contain more useful items and information for the newcomer than any they have experienced.

For just $50.00 for 24 baskets, this is a great economical way to draw attention to ***your*** business and all you have to offer while also welcoming our newest residents! This nominal fee helps us to cover expenses such as the basket and other supplies needed to make sure your items are displayed in the most attractive way possible.

We encourage you to not only include information, but also a fun small trinket to represent your business! Some great examples: pest control service – fly swatters, jewelry store – jewelry cleaner. Any small usable item (letter opener, cup, key chain, etc) with your name on it will do the trick!

We are now gathering items for July baskets, and those items will be due to the chamber office by:
