

Dear Chamber Members,

The Grove Area Chamber of Commerce (GACC) is excited to begin production of the **2026–27 Grove & Grand Lake Vacation & Relocation Guide**, one of our most widely distributed marketing tools. Each year, **10,000 copies** of the guide are published and shared through hundreds of local businesses, Oklahoma travel information centers, visitors to the GACC office, and mailed nationwide through relocation and visitor packets.

In 2024, we expanded our reach by adding an additional distribution outlet with nearly **90 locations across Southeast Kansas, Southwest Missouri, and Northwest Arkansas**. As a result, the guide is now distributed from Wichita, Kansas, to Springfield, Missouri, and as far south as Fort Smith, Arkansas—significantly increasing exposure for participating businesses.

Advertising in the Chamber guide helps build name recognition with individuals who are actively relocating to or visiting the Grand Lake region. Your advertisement is circulated for an entire year and reaches a highly targeted audience ready to spend money at local businesses. In addition to print distribution, the guide is available digitally on the GACC website, with daily downloads providing added visibility to those seeking lake-area information.

The 2026–27 guide will continue to highlight our popular Route 66 section, featuring trip ideas, group itineraries, and marketing targeted to the growing Route 66 leisure market. Grand Lake—America’s #1 lake—is located just 6.6 miles from the historic Mother Road. As the nation celebrates the 100th anniversary of Historic Route 66 in 2026, the Chamber will be working diligently to attract those travelers and potential residents to our incredible lake region. We hope you will support this effort by placing an ad to help us share the many experiences available on and around Grand Lake.

The guide will also continue to support economic development efforts through partnerships with the Oklahoma Department of Commerce and the Oklahoma Manufacturing Alliance. As companies explore Grove and the Grand Lake area for relocation and expansion, this publication serves as a valuable resource highlighting housing, education, healthcare, banking, real estate, and community amenities. Participation in the guide is a cost-effective way to reach thousands with your business message. As a GACC member, you are also included in the updated business directory at no additional cost.

To participate, please email your **camera-ready ad** to **amandadavis@groveareachamber.com**. The deadline to reserve advertising space is **March 25**, and final artwork is due by **Friday, April 3, 2026**.

Thank you in advance for your continued support of the Grove Area Chamber of Commerce. We truly appreciate your partnership and look forward to promoting your business throughout the coming year.
