

COVID-19 EMERGENCY RELIEF PACKAGE

Covid-19 changed our industry overnight!

Join Leanne Jefferies and special guest Ryan Taylor as they take you through the key things that will help shops quickly adapt to the virtual demands of customers.

In this webinar, you will learn:

1. How to get work now when claims are down, and customers are hoarding money like they hoard toilet paper.
2. Secrets of the most advanced shops and what they are doing to adapt to the virtual demands of Insurers, OEM's and Customers. Ryan will show you all the tools you will need to survive and thrive in your market place and how to get them working for you.
3. How to bounce back fast! We will cover the key things you can do to set your shop up for a fast recovery. When repair volume picks up again, these strategies will ensure your shop is among the first to get the work.

Ryan is the CEO of BodyShop Booster. He spent 19 years in the collision industry with his own Canadian MSO based in Alberta. After selling his shops in 2014, Ryan founded BodyShop Booster, a communication and marketing company that helps thousands of shops around the globe. Ryan has been awarded multiple patents for his technology, such as photo estimating. He is the marketing advisor to several OEMs like Toyota. His exciting and entertaining classes are always must-see at SEMA and OEM conferences.
