We are a church on a mission to get back to in-person fellowship! Wednesday June 16 at 6:00 p.m. the Fellowship Commission will be hosting St. Richard's Feast Day! Initially, we were going to have this event outside on the breezeway. Now that CDC guidelines say it is safe to gather inside or out unmasked for vaccinated people and masked for unvaccinated, we have moved the feast inside to the Parish Hall. You can still sign up on Eventbrite for the fun. Simply visit our website for the link.

The Worship Commission met on Sunday May 30 and we decided that we would begin to use the Expansive Language Service of Holy Communion. What does this mean for you? Very few changes to the Rite II Eucharist that you are accustom to hearing each week at the

10:30 a.m. service. The changes are intended to adjust some of the male dominated pronouns in order that all people may more closely identify with God. See if you notice the changes! A prize will be awarded to you if you can identify three of the changes in the liturgy. See me after the 10:30 a.m. service on Sunday!

Wednesday Morning Bible Study has been taking a in-depth look at various kinds of biblical criticism this year. We brought that class to a close yesterday. Jim Christoph and Bob McClure will be determining how to enliven your intellect and your souls starting the Wednesday after Labor Day!

Coalition for the Homeless will need hamburger casserole from St. Richard's this month! And Maddie Visconti will be looking for volunteers to serve the food on Friday June 11. Maddie will be passing out pans and recipes on Sunday and you can email me, rector@strichards.org if you would like to volunteer.

Peace to all.

The Rev. Alison P. Harrity
