2025-26 PHOTO DIRECTORY

The Catholic Community of Saint Thomas More is a welcoming Jesuit parish that glorifies God through worship, faith formation, accompaniment, and works of mercy and justice.

Saint Thomas More Catholic Community was founded on January 1, 2008 upon the merging of two Catholic parishes on Summit Avenue: Saint Luke's (1888) and Immaculate Heart of Mary (1949). Our church has blessed this historic area of Saint Paul, MN with a century of Catholic worship, community, and ministry. Over the years we have been known by different names, but the spirit of our community has remained the same.

The parish has been entrusted to the care of the Society of Jesus (the Jesuits) since the 1990's. Our current pastor, R.J. Fichtinger, SJ, was installed in 2022 after 5 years as associate pastor.

Capital Campaign

This year, we launched This Holy Place: Renewing and Restoring — a capital campaign in collaboration with the Archdiocese of Saint Paul and Minneapolis, and the most significant investment in our parish and school in a generation. Thanks to the extraordinary generosity of our community, this work is already underway, and we look forward to sharing more milestones in the year ahead.

To care for these walls is to honor all who have worshipped within them, and to ensure that future generations will know this place as their spiritual home too.

Church Exterior Restoration

Deteriorating masonry, failing drainage systems, and roof tiles past their life make exterior work urgent to protect our sanctuary from continued damage.

School Restroom Replacement

Water-wasting, inefficient systems, and failing fixtures put strain on our plumbing, and we are in dire need of developmentally appropriate equipment for all our students.

Playground Revitalization

Our playgrounds no longer meet the varied needs of our growing community, and are falling into dangerous disrepair. Our students and greater community are in need of more shady green spaces on our campus.

Marking a Century

About the Logo

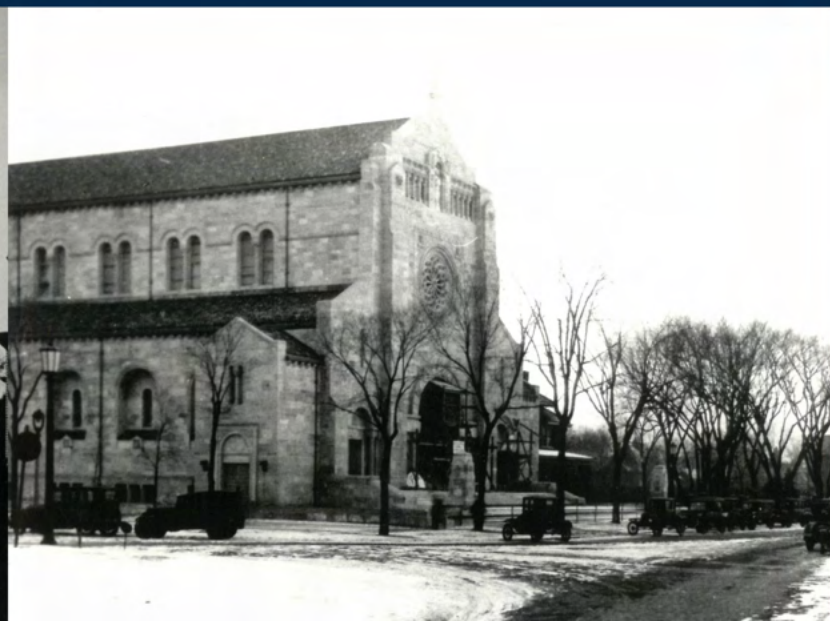

This year, our beloved church building makes a remarkable milestone: celebrating 100 years of prayer, worship, and community life on historic Summit Avenue. To honor this centennial, a commemorative logo was created. This centennial celebration invites parishioners, alumni, and neighbors to reflect on the enduring presence of the church as both a physical landmark and a spiritual home in St. Paul. More than a graphic element, it is a joyful expression of gratitude for all who have built, sustained, and worshiped within these walls, and a celebration of the vibrant, faith-filled community that continues to bring this sacred space to life.

Saint Thomas More
CATHOLIC COMMUNITY

The design and structure of our Rose Window is the work of the architect John Comes, and the artistic design and execution of local artist Andreas Larson. Our Rose Window features the Holy Spirit located at the center of the window setting up the whole scene. The energy of the Holy Spirit radiates outward from the center in the form of twelve flower petals. Each petal features a saint whose life has been changed by The Spirit.

2025-26 Sacraments

From July 2025 to July 2026, 26 children made their First Communion, 18 adults joined the Catholic Church through OCIA, 43 babies were Baptized, and 22 couples were Married.

The momentum and energy our community is experiencing today is not something we take for granted. It is the result of excellent leadership and teamwork between our dedicated parishioners, staff, and clergy. We thank each and every one of you for your faith, devotion, and stewardship of this parish!
