

What do I have to do if I sponsor an alpaca?

We will be doing alpacas this year instead of ice sculptures.

Your business will receive a plywood cut-out that is approximately four (4) feet high and is attached to a base that has casters.

You then decorate your alpaca anyway you wish. You can glue things on it or drape things around it. Use your imagination.

We will deliver the alpacas to you for decorating and then you can display them in your place of business for the entire month of February. We will let people know that they will be on display throughout town. You may choose to do something special even if only for one day to promote the event and get people into your store.

On February 24th we ask that you bring your decorated alpaca to Maniaci's Banquet Center by 4:00 pm where they will be displayed. Voting for the best dressed alpaca will be done at the hall prior to the races beginning. Jars will be set in front of each alpaca and people attending the races can put money in the jars to determine the winner.

Please note: This event is for persons 18 and older.

THEN THE FUN BEGINS

Six (6) alpacas will race in each heat. Each alpaca races twice until we get the 6 top money winners for the final heat and the crowning of the champion.

Lots of activities – raffles, 50/50 drawings and more fun will go along with the betting on the alpacas.

Dinner will be served, and a cash bar is available.
