

# Generation Vape: From Mods to Pods

January 12th: 7:00PM  
Saxe Middle School Auditorium

This is a free event, but registration is required  
[www.newcanaancares.org/event/mods-to-pods](http://www.newcanaancares.org/event/mods-to-pods)

This interactive and engaging evening will explore trends in youth vaping. From the introduction of electronic cigarettes to the social media influence of disposables.

Participants will learn about youth vaping abuse, paraphernalia, accessibility, concealment, and how to talk to your young people about the dangers of **ENDS** (Electronic Nicotine Delivery Systems).

This event is suitable for adults and children ages 10+ and will include the perspective of young adults.
