

# Unite Connecticut

## Community Information Sessions

**Attend a virtual session to learn more about the Connecticut statewide coordinated care network**

Please join us for an upcoming virtual information session to learn about Unite Connecticut, see a Unite Us software demonstration, and discuss next steps to participate.

Unite Connecticut is a collaboration between Connecticut Hospitals, municipalities, community based organizations, and more. By integrating health and social care, Unite Us allows providers to seamlessly send and receive secure referrals, track client's health journey, and report on tangible outcomes across a range of services and sectors.

### Who Should Attend

Those working in care coordination, case management, client navigation &/or direct care. Executive level staff are also encouraged to attend.
