

**Welcome 2 Reality Presents:**

## **Pursuing Racial Justice In Social Work Practice & Supervision Training**

Webinar will discuss implicit bias, and the differences between equality and equity, what do equitable practices look like. Participants will learn to talk about race constructively within their workplace and with colleagues' organizations and with their constituents. Gain opportunities and next steps for applying concepts and strategies to advance racial equity.

### **Will Examine:**

- > Impact of the work with families and how it relates to race, racism, diversity
- > How biases and discriminatory practices and supervision effects families
- > Strategies to help improve our work with the children and families served

**Two Continuing Education Credits Offered**

**Registration Fee: \$35**
