

SUICIDE PREVENTION TRAINING

CONTRA COSTA COUNTY
Office of Education
learn • lead • achieve

Join us for a training on suicide prevention and risk assessment tailored for educators, counselors, administrators, and school support staff. This workshop will equip you with the tools to recognize when a student may be at risk for suicide and how to respond appropriately.

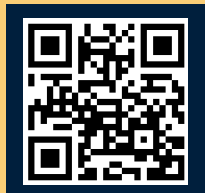

This training will:

- ✓ Review current suicide trends affecting youth in Contra Costa.
- ✓ Teach key warning signs and risk factors in youth and how to assess for the level of suicide risk.
- ✓ Introduce school staff to supportive, trauma-informed interviewing techniques for gathering accurate information.
- ✓ Help you understand key components when developing a suicide prevention & intervention protocol
