

CALL FOR NOMINATIONS FOR CNSC BOARD OF DIRECTORS

September 20, 2024

The CNSC is a registered society governed by a Board of Directors who are elected for a **one-year term** at the Club's Annual General Meeting (AGM) and who retire at the following AGM. This is a call for nominations for Directors to be elected at the 2024 AGM.

AGM and Election Date: 7:00 pm Wednesday, October 23, 2024.

Society purposes: Among its own members and members of the community, the purposes of the Society are to provide, sponsor, encourage, and foster cross-country skiing, Nordic events, and complementary recreational activities, including (but not limited to) running, hiking, and cycling.

The Board of Directors: The Board includes up to twelve Directors, four of whom are elected as executive officers (President, Vice President, Treasurer, and Secretary) and up to eight elected as Directors-at-Large. Once elected, Directors can then volunteer to oversee committees in a variety of areas of the Society, such as Trails, Programs, Facilities, Competitions, or Social Events.

Nomination eligibility: Only club members in the 2023-2024 year who are more than 18 years old and in good standing on the date of the AGM are eligible for election.

Time commitment: The time commitment for a Director should average 10-12 hours per month.

Nomination deadline: Wednesday, October 16, 2024. Indicating your willingness to stand for election by Oct. 16th will give you the opportunity to provide a biography that will be distributed to the membership prior to the AGM. After this date, additional nominations can be made from the floor at the AGM.

Contact for nominations or information: If you know of a club member whom you think would contribute well to the board, or if you are interested in becoming a director yourself, please contact Loraine Lavalée of the nomination committee: lorainel@telus.net

The nomination committee will provide additional information to interested parties as to the role of the board directors' duties and responsibilities.
