The Board includes up to 12 elected directors, four of whom serve as officers (President, Vice President, Secretary and Treasurer) and eight other directors, four of whom have responsibilities to program areas, (Trails, Facilities, Programs and Competitions) plus three Directors at Large.

The time commitment for a director should average 10-12 hours per month. Only club members in the 2022-2023 year who are more than 18 years old on the date of the AGM are eligible for election. The nomination committee will provide additional information to interested parties as to the role of the board, directors duties and responsibilities.
