

Join Our Team of Bunny Rabbit and Jack Rabbit Volunteers for Winter 2024/25!

Dear Caledonia Nordic Community,

We are excited to announce that we are seeking enthusiastic volunteers to join our team for the upcoming Winter 2024/25 season! Our Bunny Rabbit and Jack Rabbit programs have been incredibly popular, but our registration has been limited due to the number of available coaches. To ensure that more children can participate, we need your help!

Why Volunteer?

Volunteering with us is a rewarding experience, and we offer several benefits to our valued volunteers, including:

- Free Coaching Courses: Gain valuable skills and certifications.
- Certificate of Appreciation: Acknowledging your volunteer hours and responsibilities.
- Preferred Parking: Enjoy reserved parking in the main lot on program dates.
- Program Registration for Your Child: Guaranteed spot for your child in our programs with program fees covered. Don't have a child in the programs, but want to coach? You can transfer this registration to another participant!!
- Be a part of an amazing group of coaches to build our Nordic community

Volunteer Requirements:

To be a volunteer in this program, you must be 16 years of age or older, complete required courses (Intro to Community Coaching- Bunnies, Community Coaching- Jackrabbits), and submit a Criminal Record Check (provided by the Club). Our goal is to maintain our high standards and ensure a safe and enjoyable experience for all participants, we require a ratio of 1 coach to 8 kids. Your support is crucial in helping us increase our numbers and make a positive impact on the young skiers in our community.

Dates to Remember:

- Intro to Community Coaching (Online) Bunnies
- Community Coaching (Dec 13-15) Jackrabbits

How to Get Involved:

If you're passionate about skiing and enjoy working with children, we would love to hear from you! Please contact us at gm@caledonianordic.com to learn more about volunteering opportunities and to sign up for our coaching courses.

Thank you for considering this opportunity to give back to our community and inspire the next generation of skiers.
