# About the Foundation

---

Memorial Hospital Foundation was established in 1986 as a 501(c)(3) non-profit organization with a vision to develop relationships and financial resources to support the healthcare programs, projects and services of Memorial Hospital. The Foundation manages 20 funds that provide financial support to Memorial Hospital, our patients, and our employees. 100% of donations to the Foundation stay in our community and directly benefit the fund of our donors' choosing.
