Kudos to Playground Pals and the Green Lake Community!

Thanks to the consistent efforts of Playground Pals - Amanda Castleberry, Kathy Grahn, Dawn Morgan, Rachel Nitz, and Jill Williams - and the incredible support of the Green Lake area community, the funds needed to bring a new all-inclusive playground to life have been raised. The groundbreaking ceremony on August 18 was truly a proud moment!

With the 45+ year-old equipment being removed, excavation and concrete work will begin soon. The new equipment is expected to arrive right after Labor Day weekend, with the goal of having the playground ready to enjoy by Harvest Fest on September 27–28**.**

So far, an incredible **$512,000** has been raised - 80% of the $640,000 goal! But **$128,000 is still needed** to fully fund the project. These remaining dollars are crucial, as they will create a long-term maintenance and resurfacing fund to keep Playground Park safe, welcoming, and vibrant for generations to come. All contributions are held securely by the Oshkosh Area Community Foundation and carefully overseen by Playground Pals, ensuring every dollar goes only to Playground Park.
