Playground Park Revamp

A Community-Driven Project for All Ages and Abilities

TO DATE: $355,000 raised toward the goal of $670,000

Supporting Playground Park: A Family's Legacy of Giving and Inclusivity

The Playground Park Revamp project in Green Lake has become a community-driven effort, with families, local businesses, and organizations all coming together to create a space that is truly accessible and welcoming for everyone. One of the most inspiring contributions to this effort has come from the Kinas family, who have donated a thoughtful and generous $21,500 to fund the installation of a music station at the new inclusive playground. The donation is made possible by Kopplin and Kinas Co. Inc. and Kinas Excavating Inc.

And another generous anonymous donor provided funding for an inclusive swing that is already installed on the existing equipment and in use. It's a small preview of the big changes to come, and a beautiful reminder of how community support is making this dream a reality.
