

Playground Park Progress

$425,000 of the $670,000 goal raised

Thanks to the incredible generosity of our community, the Playground Park Revamp has now raised **$425,000**! Just **$25,000** shy of the installation goal allowing for the playground to be completed this September.

While the full fundraising goal is **$670,000** (which includes future maintenance), this achievement brings us so close to making inclusive play a reality in Green Lake.

Can you help us meet the needed $25,000? Here's how you can make a difference:

Buy a $150 commemorative brick

Purchase a delicious Vandewalle's candy bar available at local Green Lake shops
