

## **Advancement Reporting**

We need your help, please take time and verify that your Advancements are up to date. You may do this by contacting [Laura Stanifer](#), Council Registrar at the Hingst Service Center, Teresa Hoover, Council Advancement Chair 765-491-2409, or [Chas Triplett](#), Council Program Director.

Please submit Advancement Reports on what your Scouts have done this summer and fall, at unit events and Resident Camps, Day Camps, Camporee, Fall into Scouting, Meet the Troops, and University of Scouting. There were many Cub Scouts recruited this fall that should have earned their Bobcat by now; please verify that you have turned in advancement reports for them.

Cub Scout Belt Loops do require an Advancement Report; this allows us to enter their achievements into ScoutNet.

If you purchase Advancements out of Council, please submit an Advancement Report to the Hingst Service Center. This will help keep your records up to date.

We are here to serve you in serving the youth in your units, if you need help with anything please feel free to contact us.
