The Prairie Pilots of Wichita, in conjunction with Pilot International, recently announced a special partnership and $2,000 grant in support of programs and services at AbilityPoint. This generous gift has specifically helped several AbilityPoint clients participate in mini tours including Thanksmas Feast, the Hot Wheels Monster Jam, and the Renaissance Festival in Kansas City and others because of this gift.

Remaining grant funds have been set aside to help additional clients attend other mini-tours, YESS and Camp Ability.

Prairie Pilots volunteers also assist by chaperoning outings, serving food at picnics, assisting at Miss Unstoppable, and by providing lunch and desserts at Camp Ability and ‘Lunch Bunch’.

“Many of those we serve are low income and this gift and the volunteer hours The Prairie Pilots provide is so appreciated. They help make it possible for us to provide unique services and programs to more individuals living with an intellectual and developmental disability,” said Kevin Fish, executive director.
