

Welcome to Saint Joseph High School!

In order to try out for athletics, Saint Joe students must have a completed athletic physical form on file in the athletic office AND be registered in FinalForms, a program that captures student-athlete information to ensure compliance and track medical information, among other things.

FinalForms opens on April 1, at which point parents may register and sign up with a student's personal email address (and switch to the student's Saint Joe email once school begins). Upon signing up for a FinalForms account parents will be able to register their student(s).

To register a student, you will need basic medical history, doctor/ dentist/hospital information, insurance company and policy number, and email addresses for both parent and student. Maintaining up-to-date contact information is imperative to receiving communication regarding practices, tryouts, team meetings, etc.

The IHSA physical form can be found on the FinalForms checklist and must be filled out by your doctor at the time of the physical. Please complete the form online, then print it and take it with you to the appointment. To be compliant, the physical must be scheduled to take place after April 1. Please remember a hard copy of the physical form must be turned in to the athletic office, or an electronic copy uploaded to the FinalForms account.

Students and parents need to read several documents and acknowledge they have been read with an electronic signature. These documents include but are not limited to: the student-athlete handbook and code of conduct, consent for medical care, information on concussions and sudden cardiac arrest, transportation policies, all-sports passes, and more.

Additional instructions for registration and requirements can be found within, though questions regarding FinalForms can be directed to me or the Saint Joseph High School Athletic Department. I can be reached at (574) 233-6137 ext. 532, or santhony@saintjoehigh.com.

Thank you for choosing Saint Joe. We are excited to see you on the field, in the gym, on the courts, at the course, in the pool, at the rink, or on the track!

Sincerely,

Mr. Stephen Anthony
Director of Athletics
