

Central Arizona Project Award for Water Research

First Place: \$1,000
Second Place: \$500

Research papers are now being accepted for the 2018 **CAP Award for Water Research**. Submissions for this award should focus on water issues that affect Central and Southern Arizona and/or the Colorado River. Papers may focus on legal, economic, political, environmental, or water management issues, or other issues that might be of interest to CAP or Arizona water users. Papers that support a position are especially encouraged. Suggested topics include but are not limited to:

Aquifers
Climate Change & Water Supply
Conservation
Drought Management
Environmental Education
Environmental Law
Groundwater Resources
Native American Water Issues
Public Perception
Recharge
Riparian Habitat

Subsidence
Surface Water Resources
Surface/Groundwater Relationships
Threatened/Endangered Species
Water/Energy Nexus
Water Law
Water Management
Water Policy/Politics
Water Rights
Water Supply/Use

Winners will receive scholarships to attend and present their research at the 2018 Arizona Hydrological Society Annual Symposium

To apply, submit your research paper (please include a one-page abstract) at <http://www.cap-az.com/index.php/education/award-for-research/award-entry-form>.

The CAP Award is available to undergraduate and graduate students at any college or university in the state of Arizona. Papers should represent the student's original, unpublished research.

If you have questions, please contact Vicky Campo at vcampo@cap-az.com

Submission Deadline: June 1, 2018

Winners will be notified in August 2018
