# Native Voices in STEM Spring 2022 Seminar Series

**Dr. Ranalda L. Tsosie // Diné**

"Utilizing Diné Science and Innovation to tackle long-standing water challenges in Diné communities"

Date **January 24, 2022**

Time **3:00 - 4:00 MST**

<https://arizona.zoom.us/j/667862706>

Dr. Tsosie is a post-doctoral scholar at Montana State University in Bozeman, MT. She is currently working on a point of use filter optimization project and continuing to work with Indigenous communities and water challenges. Dr. Tsosie completed Ph.D. in interdisciplinary Studies with a subject emphasis in the fields of Chemistry, Geosciences and Environmental Science/Studies from the University of Montana. In her free time, she enjoys beading, sewing, practicing traditional Diné arts
