## Who Should Come?

- **Algebra 1 & Geometry** – Designed for traditional Algebra I and IB & traditional Geometry students as they prep for the EOC.
- **Algebra 2 & AP Statistics** – While AP Statistics will help those taking that course, Algebra 2 is intended for all traditional and IB students who are currently taking the course and preparing for the EOC.
- **AP European History** – Designed for all students currently taking this course as they prep for the final AP Exam in May.
- **AP Language & Composition** – Designed for all students currently taking this course as they prep for the final AP Exam in May.
- **AP Psychology** – Designed for all students currently taking this course as they prep for the final AP Exam in May.
- **Biology** – Designed for all students currently sitting in a Biology course and preparing the EOC.
- **Economics** – Designed for all students currently sitting in either in an IB or AP Economics class and needing to prepare for the final IB or AP examinations in May.
- **IB Biology** – Designed for all 12<sup>th</sup> grade students prepping for the IB Examination in May.
- **IB Chemistry** – Designed for all 12<sup>th</sup> grade students prepping for the IB Examination in May.
- **IB French** – Designed for all 12<sup>th</sup> grade students prepping for the IB Examination in May.
- **IB Psychology** – Designed for all students currently taking this course as they prep for the final AP Exam in May.
- **IB Spanish** – Designed for all 12<sup>th</sup> grade students prepping for the IB Examination in May.
- **Precalculus & AP Calculus** – Designed for students currently taking these classes and wanting additional help.
- **Reading/SAT Bootcamp/Credit Recovery/FLVS** – While Credit Recovery and FLVS are being held to give students a designated time to get extra work done on the computer, Reading and SAT Bootcamp are best suited for students that are preparing for the Reading and SAT examinations. Mrs. Perez will show ALL types of students an excellent online platform that helps each child prepare for the SAT. Reminder, ALL JUNIORS will be taking the SAT FOR FREE on 4/9.
