

PROJECT ALERT

WELCOME SIGN AT EAST AIRPORT ROAD 1

Island: St. Croix

SUMMARY:

The Department of Public Works (DPW) is pleased to provide the public with an update on the ongoing progress of the Welcome Sign project along East Airport Road on St. Croix, U.S. Virgin Islands. The project includes the design, fabrication, and installation of three welcome signs, as well as sustainable, low-maintenance decorative landscaping to complement the new installations.

DPW's contractor, Island Designs Landscape & Storm Water Solutions, LLC, has completed the installation of the welcome signs and is now preparing the site for the landscaping phase of the project.

This initiative is part of the Department's ongoing commitment to enhancing the appearance of public spaces and creating a more welcoming and aesthetically pleasing environment for residents and visitors alike. The Department of Public Works apologizes for any inconvenience these activities may cause and appreciates the public's patience, understanding, and cooperation as these improvements are completed.
