CROWN MOUNTAIN BIN SITE IMPROVEMENT PROJECT EXTENDED

(St. Thomas) May 10, 2021 - The Virgin Islands Waste Management Authority (VIWMA) advises residents on St. Thomas of the continuation of the improvement project at the residential bin site located at the top of Crown Mountain. The project, which commenced on Monday, March 29, 2021, is now slated for completion by June 1, 2021. The extension allows for the continuance of maintenance and upgrades to the site.

In the interim, area residents are encouraged to dispose of their household trash at the Caret Bay and Shibui bin locations.

VIWMA thanks the community in advance for their cooperation.
