

PROJECT ALERT

POST OFFICE BEAUTIFICATION PROJECT

(EMANCIPATION GARDEN, EDUCATORS PARK,
AND FORT CHRISTIAN)

SUMMARY:

The Department of Public Works (DPW) is pleased to update the community on the Post Office Beautification Project in the Historic Downtown area of Charlotte Amalie, St. Thomas.

DPW contractor - Island Designs LLC - has completed several improvements at Emancipation Garden, Educators Park, and Fort Christian. The completed scope of work includes:

- Installation of new Avondale park benches at Emancipation Garden
- Construction of a new walkway at Educators Park
- Upgraded landscaping and irrigation systems at Emancipation Garden, Educators Park, and Fort Christian
- Repainting of the Emancipation Garden bandstand
- Installation of new lighting throughout the project areas

The next phase of the project includes installing signage at each location.

The Post Office Beautification Project is part of the Department's ongoing efforts to enhance the appearance of public spaces and create a more welcoming and aesthetically pleasing environment for residents and visitors.

The Department of Public Works appreciates the community's patience and cooperation as efforts continue to improve roadway conditions throughout the territory.
