Governor Bryan Offers Prayers, Support to the People of St. Vincent and the Grenadines in Letter to Prime Minister Ralph Gonsalves

U.S. VIRGIN ISLANDS – Governor Albert Bryan Jr shared a letter Friday with the Prime Minister of St. Vincent and the Grenadines offering support and assistance to the Islands' people after a volcano eruption Friday forced more than 16,000 people to evacuate the island of St. Vincent.

"On behalf of the People of the US Virgin Islands, I want to express our concern and support to the people of St. Vincent and the Grenadines as your islands face a tremendous challenge of seismic and volcanic fury," Governor Bryan wrote. "Our thoughts and prayers are with you and our more than 110,000 brothers and sisters in the region."

"The United States Virgin Islands stands ready to assist the White House in its humanitarian efforts," Governor Bryan added.
