VIWMA ANNOUNCES TEMPORARY RELOCATION OF CONCORDIA WASTE DISPOSAL SITE TO SUPPORT CONVENIENCE CENTER DEVELOPMENT

(St. Croix, U.S.V.I.) – The Virgin Islands Waste Management Authority (VIWMA) advises the public that, effective **Monday, August 10, 2026**, the Concordia Bin Site will be closed to facilitate pending construction activities associated with the Authority's long-term improvement plans for the property.

During the construction period, all waste disposal operations previously conducted at the Concordia Bin Site will be relocated to the Department of Public Works property adjacent to the current Concordia location. The surveillance-equipped temporary disposal site will operate Monday through Friday from 7:00 a.m. to 7:00 p.m., and on Saturday and Sunday from 7:00 a.m. to 5:00 p.m. VIWMA personnel will be present to assist residents, provide guidance on proper waste disposal, and help ensure the site remains clean, safe, and orderly.

This temporary relocation marks an important step toward the Authority's vision of transforming the Concordia property into a modern Convenience Center. The project represents VIWMA's continued commitment to improving waste management infrastructure while enhancing customer service and environmental stewardship throughout the Territory.

Household garbage should be securely bagged and placed inside designated containers. Materials accepted at bin sites include normal residential household waste only.

-more-

It's Our Home! Let's Keep It Clean!

The following items are not permitted at VIWMA bin sites:

- Construction and demolition debris
- Household furniture and bulky waste
- Tires
- Automotive parts
- Hazardous materials, including chemicals, paints, oils, and batteries
- Yard waste and large vegetation
- Electronic waste and appliances

VIWMA appreciates the public's patience and cooperation during this temporary transition and looks forward to delivering an improved facility that will better serve the residents of St. Croix for years to come.
