Governor Bryan Out of the Territory

U.S. VIRGIN ISLANDS – Governor Albert Bryan Jr. will be out of the Territory on Monday through Thursday, June 13-16, to attend a conference in Louisiana for Jobs for America's Graduates, for which the Governor is a member of the national organization's board of directors.

More than 140 young Virgin Islands High School students currently participate in the Jobs for America's Graduates (JAG). This state-based national non-profit organization helps high school students succeed academically and achieve on-the-job training, helping to lead those graduates toward a productive and rewarding career.

Jobs for America's Graduates is led by a public/private partnership at the national level, comprised of leading Governors, C-Suite Executives among the Fortune 500, and national community leaders. It is organized to support State Affiliates in the high-impact delivery of the JAG Model across middle school, high school, and out-of-school and collegiate young adult populations. JAG is proud to have served over 1.5 million young people since 1980.

During Governor Bryan's absence, Lt. Governor Tregenza Roach will be the Acting Governor.

Governor Bryan is scheduled to return to the Territory on Thursday, June 16.

The Bryan-Roach Administration is investing in the Territory's people, infrastructure, and future through transparency, stabilizing the economy, restoring trust in the government, and ensuring that recovery projects are completed as quickly as possible. Visit transparency.vi.gov
