CERTIFIED FUNDAMENTALS COOK

The Certified Fundamentals Cook (CFC) is a 6-month certification program for beginners. The program combines hands-on learning and immersive industry experience using a learn-by-doing approach in the program's on-campus restaurant. The CFC program will provide the guidance and experience needed to work in a food-service setting under the direct supervision of a chef and culinary instructor. Gain the practical experience, knowledge, skills, and insight into the food-service occupation with the final goal of testing for and obtaining the American Culinary Federation Certification.

COURSE INFORMATION

The CFC program consists of 10 courses, each course is 8-weeks. Courses must be taken consecutively and can't be taken again until the next cohort begins.

Cohort 1: June 13 - December 11, 2022 (dates subject to change)
Tuition for the 6-month program: $3000 (includes supply kit)
