THE CRUZ BAY TREATMENT PLANT REPAIRS ONGOING

(St. John, USVI) - The Virgin Islands Waste Management Authority (VIWMA) advises the public that there will be an odor in the surrounding area for the next several days because an additional blower unit is being brought on-line at the Cruz Bay Wastewater Treatment Plant to improve operations.

The VIWMA apologizes for this inconvenience, and we thank the community for their patience and understanding.

For more information, contact the Division of Education and Communications Management at 340-513-4171 or email communications@viwma.org. Also, follow us on Facebook and/or Twitter.
