BUREAU OF INTERNAL REVENUE INFORMS TAXPAYERS OF REDUCED HOURS OF OPERATIONS

Joel A. Lee, Director of the Virgin Islands Bureau of Internal Revenue, advises taxpayers that, in accordance with the COVID-19 protocols, all Bureau office locations will operate on a reduced hours' schedule. For the week of January 4, 2022, all Bureau offices will be open from 9:00a.m. to 3:00p.m. for the conduct of business. These reduced office hours include the Excise Tax Offices.

Taxpayers are reminded that the offices will be closed on Thursday in observation of Three Kings Day. Director Lee thanks the public for its understanding and patience as we all work together through the pandemic.
