COMPLETED PROJECT

PROJECT NAME:
Addelita Cancryn Pedestrian Bridge Demolition

PROJECT CONTRACTOR:
Rumina Construction, LLC

ISLAND:
St. Thomas

The Virgin Islands Department of Public Works (DPW) is excited to announce the completion of the emergency demolition of the former Addelita Cancryn Pedestrian Bridge located on Veterans Drive in St. Thomas, U.S. Virgin Islands.

DPW contractor Rumina Construction, LLC, along with several other partners, began the demolition process last night, Friday, August 28, and completed it today, Saturday, August 29, 2026.

The Department thanks the community for its patience during this time. Now that the demolition is complete, the roadway is fully reopened to the public.
