VIDOL and VIDOF Announce That Workers' Compensation Payments Have Now Resumed

USVI- The Virgin Islands Department of Labor (VIDOL) Commissioner Gary Molloy, in collaboration with the Virgin Islands Department of Finance (DOF) Commissioner Bosede Bruce, is happy to announce that all Workers' Compensation payments have resumed as of February 09, 2023. VIDOL and DOF discovered an issue due to the inquiry of injured workers and providers. The issue occurred as a result of the implementation of the new integrated system that both agencies now utilize as they transition from an entirely manual process to an automated and paperless process.

VIDOL and DOF have worked diligently to resolve the issues and apologize for any inconvenience this may have caused.

If you have any questions, please contact VIDOL's Workers' Compensation Division at (340) 773.1994 on St. Croix or (340) 776.3700 on St. Thomas. You can also visit www.vidol.gov and follow VIDOL on Facebook for up-to-date information.
