St. John Administrator Shikima Jones-Sprauve Hosting June 22 Episode of "Administrators Corner"

U.S. VIRGIN ISLANDS – St. John Administrator Shikima Jones-Sprauve will host the next "Administrators Corner" program to update residents about what's happening on the island at noon and 6 p.m. Tuesday, June 22, on the Government House Facebook page at facebook.com/GovernmentHouseUSVI.

Because "Administrators Corner" is taped in advance, residents who would like the Administrators to respond to specific issues should email their questions to governmenthouse@go.vi.gov with "Administrators Corner" in the subject line.

On the June 22 episode, Administrator Jones-Sprauve will address:

- The St. John Transfer Station and abandoned vehicles scheduled to be removed from St. John.
- A Review of May's Seniors Serenade by Stanley and 10 Sleepless Knights and the Memorial Day service.
- The Oppenheimer Beach facility; the Fish Bay Watershed; and progress on The Battery restoration.

"Administrators Corner" is broadcast every Tuesday at noon and 6 p.m., as well as throughout the week on the Government Access Channel.

St. John Administrator Shikima Jones-Sprauve, St. Croix Administrator Sammuel Sanes and St. Thomas-Water Island Administrator Avery Lewis alternate as hosts to give residents updates on current projects, take a look ahead on upcoming community initiatives and provide other relevant information.

Copies of all "Administrators Corner" programs are archived at facebook.com/GovernmentHouseUSVI.

The Bryan-Roach Administration is committed to transparency, stabilizing the economy, restoring trust in the government and ensuring the disaster recovery is completed as quickly as possible.
