UPDATED BOVONI LANDFILL SEAWEED ACCEPTANCE SCHEDULE

(St. Thomas) May 28, 2021 - The Virgin Islands Waste Management Authority (VIWMA) advises the public that effective immediately, seaweed will only be accepted at the Bovoni Landfill on Tuesdays and Fridays.

Please adhere to the following guidelines:

1. All haulers should notify the scale house attendant that they are planning to dispose of seaweed upon entering the landfill.
2. Loads will be accepted at the back of the Bovoni landfill by the western berm facing Bolongo Bay: Utilize the old access road. Drive up to the top, veer to the left, go around the hill then proceed down the hill to the western berm.
3. Trucks are expected to turn around then reverse and off-load.
4. Seaweed needs to be dewatered prior to disposal.
5. Everyone is asked to use caution when traversing the landfill.

This change in schedule will allow for a longer period to dewater the seaweed before bringing it to the landfill.

VIWMA thanks the community in advance for their cooperation.

For more information, contact the Division of Education and Communications Management at 340-513-4171 or email communications@viwma.org. The VIWMA hotline is available 24/7: 844-962-8784. Also, follow us on Facebook, LinkedIn and/or Twitter.
