ST. CROIX, USVI – All U.S. Virgin Islands businesses interested in participating in the 2022 Virgin Islands Energy Office's Energy Efficiency & Renewable Energy (EERE) Financial Incentive Program are required to complete a Vendor Application Request Form.

The program is slated to launch on **Friday, November 26, 2021**. The Energy Office will only accept and process rebate applications from local businesses that provide a copy of their current business license, IRS W-9 form, and products list.

To receive a Vendor Information Package and submit your information to become a participating vendor, email Ms. Melissa Carter, Program Specialist, at melissa.carter@eo.vi.gov.
