

Airport Distribution Center Agreement

The US Virgin Islands Hotel & Tourism Association appreciates your interest in participating in the Distribution Center at the Cyril E. King Airport.

This center is continuously used by arriving visitors for the availability of accommodations, attractions, and information on services both on St. Thomas, St. John and St. Croix. This is an excellent marketing tool for your business to ensure that our visitors are made aware of the kind of services you provide.

- **Brochure Display:**
You will receive one rack to display your company's brochures. The monthly service fee is \$50.00 billed quarterly at \$150.00. You can add additional racks at \$100.00 per quarter each rack.*

*By signing this agreement, you are required to make quarterly payments. You may terminate this agreement with a 90 day notice. The USVI Hotel & Tourism Association has the right to terminate this agreement at any time. You must be a member of the USVI Hotel & Tourism Association or the St. Croix Hotel & Tourism Association to participate in this program.

The Distribution Center is stacked regularly to ensure that your brochures are displayed when traffic is passing through.
