ENERGY OFFICE REBATE PROGRAM NOTICE

ST. CROIX, USVI – The Virgin Islands Energy Office (VIEO) would like to remind all USVI residents of the conclusion of the Energy Efficiency and Renewable Energy (EERE) Financial Incentive Program. All federal funds allocated for rebates (financial incentives) were exhausted. Therefore, we will not be accepting ***ANY*** new applications.

The rebate program's annual funding is provided by a grant awarded by the U.S. Department of Energy - grant award #EE-0008301. Please note that upon receipt of new program funds for the 2022 program year, the Virgin Islands Energy Office looks forward to the continued active participation of our residential and business sectors in this flagship Energy Office initiative!
