Governor Bryan Thanks Democratic Primary Voters for Vote of Confidence

U.S. VIRGIN ISLANDS— Governor Albert Bryan released the following statement Sunday congratulating the winners of Saturday's Democratic primary election and thanking the voters for their support and vote of confidence:

"Last night, Democratic voters affirmed their support for the job this administration has done to move our territory forward. Tregenza and I are extremely grateful for the support and the vote of confidence and thank all the voters who participated in the democratic primary election.

"I also want to congratulate all the democrats who were successful last night and thank those who were not for putting themselves forward and encourage them to continue to engage the community and the Democratic Party. I also want to extend a special thank you to State Chairman Cecil Benjamin for his efforts to ensure collaboration and cooperation among democrats during his tenure.

"The policies and initiatives led by a United Democratic Party have and continue to contribute greatly to the progress of our territory, and I look forward to campaigning alongside my fellow democrats as we continue together to address the challenges that remain."

The Bryan-Roach Administration is investing in the Territory's people, infrastructure and future through transparency, stabilizing the economy, restoring trust in the government and ensuring that recovery projects are completed as quickly as possible. Visit transparency.vi.gov
