

USASA Members,

The Hall of Fame Committee would like to remind you that April 15, 2024 is the nomination deadline for the 2024 class induction. This is your chance to recognize that individual you believe has dedicated time, effort and energy to adult soccer.

We invite you to apply today by filling out the [nomination form](#). Please complete the form and email it along with a photograph to halloffame@usasa.com.

A photograph of the potential inductee must accompany the nomination form. A picture is worth 1,000 words!

To be considered for induction into the USASA Hall of Fame, candidates shall be nominated as either administrators, coaches, players or referees and shall meet the criteria specified for that category.

Individuals meeting the qualifications under two or more categories may be nominated for consideration under a single category, using primary/secondary categories, or specifying multiple categories.

New nomination forms do not need to be submitted for any candidates nominated in 2023 but not selected for induction as they will be considered alongside any new submittals. However, a new nomination may be submitted, particularly if any updated information is included therein.

Thanks & Best Regards,

USASA Hall of Fame Committee
