

Continuing Medical Education

Dermatology-Rheumatology Trainee Symposium

September 20, 2019

1:00pm to 5:00pm

Residence Inn Alexandria Old Town/Duke Street

1456 Duke Street

Alexandria, Virginia

In conjunction with the [Virginia Society of Rheumatologists Conference](#), the National Psoriasis Foundation will hold a Dermatology-Rheumatology Trainee Psoriatic Disease Symposium for the region. The symposium is a half-day event that brings dermatology and rheumatology residents and fellows together to learn more about psoriatic disease and the importance of collaborative, interdisciplinary care.

Topics include

Psoriatic Arthritis 101

Psoriasis 101

Complex Cases

Inflammatory v. non-inflammatory arthritis; joint exam and other methods

Topical therapies for psoriasis, non-plaque psoriasis, and identifying non-psoriasis skin disease

Application required (stipend provided for out of town attendees) [CLICK HERE TO APPLY](#)

Objectives

- Describe the basic science and pathophysiology
- Outline the physical and psychosocial impact of psoriatic disease
- Explain indications, recommended dosages, efficacy, long-term safety, monitoring and side effects for current psoriatic disease therapies
- Employ appropriate strategies to diagnose and treat comorbidities associated with psoriatic disease

Accreditation Statement

The National Psoriasis Foundation is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit

The National Psoriasis Foundation designates this live activity for a maximum of 4.0 *AMA PRA Category 1 Credit(s)*[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.
